# GREAT KIDS

| EXCLUSIVE WALLCOVERINGS MADE IN GERMANY |

## - Lifestyle in the children's room

HOHENBERGER®  
MANUFAKTUR FÜR TAPETEN

The renovated old building and the stylish loft - both have their own special charm.

The Urban Classics wallpaper collection is inspired by the charm and character of these living environments.

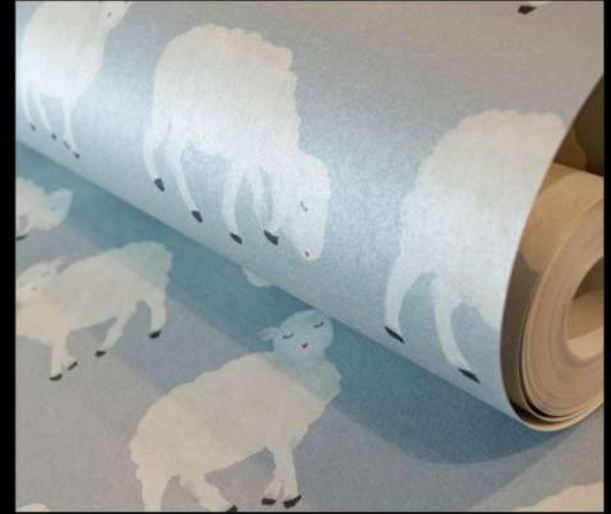

Their structures, colors and patterns bring a bit of loft living or a chic old building atmosphere to your own four walls, depending on your preference.
